Known for its playful themes and extraordinary experience, Night at the Museum is soaring into this year's iconic evening supporting CMON's mission! This year's theme, Cirque du CMON, will be sure to inspire and excite event attendees from start to finish and is like no other gala in town!

CMON's annual Night at the Museum fundraiser provides exceptional educational experiences for all children in the community through innovative exhibits and constantly evolving programming. Your philanthropic support allows CMON to give access to under-resourced families, fund new exhibits, and facility improvements, and grow our reach in Collier County and beyond.
