

Backyard **BASH** for Access for All

Join us in making sure every child has the opportunity to learn, grow, and thrive through play.

Why Backyard Bash Matters

Backyard Bash is more than a celebration; it's a mission-driven event supporting CMON's Access for All initiative. Your involvement directly removes financial barriers so children and families in our community can experience the power of hands-on learning.

About Access for All

Launched in 2022, Access for All provides deeply reduced admissions and memberships to families in need, ensuring equitable access to CMON's exhibits and educational programs. Through this initiative, thousands of children who might not otherwise have the opportunity can explore, discover, and learn through play.

Admissions

Families receiving WIC, SNAP, or EBT can enjoy \$3 general admission (a \$15 discount) or a \$30 annual membership, a significant discount from regular rates. Over the past year, more than 25,000 discounted admissions were provided, making up 13% of the museum's total attendance.

EBT Museum Visitors = 24,760

EBT Annual Memberships = 691

**From June 2024-2025*

Library Access Program

In collaboration with public libraries in Collier, Lee, Charlotte, and Hendry counties, this program offers free admission by checking out a museum pass for four with a valid library card.

Library Pass Visits = 2,960

Title 1 Field Trips

CMON offers field trips to the museum for all Kindergarten classes in Title 1 Collier County schools at no cost to the school, provided they have transportation to and from the museum.

Why It Matters to Our Community
